### Cross Country Skiing & Fat Tire Trail Updates - Ski conditions provided by [KeweenawTrails.com/trail-reports/](https://keweenawtrails.com/trail-reports/)

- **Michigan Tech** – Everything groomed out really well. It's good to get a small break from the snow. All your MTU trails have been groomed and tracked. Conditions are excellent, the sun is shining and you know what to do. Enjoy! (1/21/2026)
- **Swedetown** – Good morning everyone! Hurry up and dig yourselves out, because it is truly gorgeous here at Swedetown trails this morning. The sun has made a surprise appearance, and the new buckets of snow are actually setting up very well due to the cold temperatures. Better catch it before it all gets covered up again! All ski trails were groomed and tracked in the Husky. The Multi-use-loops (MUT) are currently being groomed and tracked using snowmobile implements, and so are the snowbike trails. Enjoy your ski everyone! And your shoveling! (1/22/2026)
- **Swedetown Snow Bike** - Beautiful day to play in the snow, so get out there and have fun! (1/21/2026)
- **Chassell Ski Trails** - 7 inches new snow (1/17/2026)
- **Chassell Snowshoe Trails** - The trails were opened today by me and other users (Thank You!). I work tomorrow and probably will have a bunch of snow clearing to do around here come Thursday. There will be a wait and see for Friday afternoon for me to head out time/weatherwise. 23" snow depth. (1/22/2026)
- **Churning Rapids & Maasto** – New tracks on the close in trails. Trying to keep up with rolling and dragging on the churning rapids trails. (1/20/2026)
- **Churning Rapids Snow Bike** -We did some more grooming on Tuesday night and we're starting to catch up with the new snow, but trails still aren't firm enough for biking. We'll be out there again on Wednesday.(1/21/2026)
- **Eagle Harbor Ski Trails** – Trails in great shape! (1/5/2026)
- **Copper Harbor Trails Club "End of the Road Trails"** – Wind and continuous snow fall throughout the day has resulted in lots of drifting and variable conditions.(1/19/2026)
- **Copper Harbor Trails** - Great conditions and snow falling with falling temperatures. Enjoy! (1/17/2026)
